

Apply for the 2023 WaterWise GARDEN CONTEST

The WaterWise Garden Contest recognizes residents of Santa Barbara County who have attractive and water wise landscapes. An award will be given to a residential property in each participating water provider's service area. Winners in each area will then be a finalist for a County-wide grand prize.

- ✿ Participants must be residential customers of a listed participating water provider in Santa Barbara County: the City of Santa Barbara, Montecito Water District, Carpinteria Valley Water District, City of Solvang, or Vandenberg Village Community Services District.
- ✿ The contest is for front yards only; homeowners or renters can apply.
- ✿ Applications and photos of the front yard can be submitted online at the website below.
- ✿ Each winning property will be given an engraved sandstone boulder to place prominently in the front yard.
