

Water Main Repair – July 2014

This July, VVCSD is contracting with SAK Construction, LLC to reline two 12" water mains under Hwy 1. These critical pipelines, providing water to south village, are over 50 years old and require rehabilitation to repair leaks and extend their life.

TEMPORARY ROAD CLOSURES AND TRAFFIC IMPACTS

During the first phase, **the northbound off-ramp onto Constellation Rd will be closed.** Traffic will be asked to use Burton Mesa Blvd at Harris Grade Road.

During the second phase, **Burton Mesa Blvd in front of the shopping center (Farmer's Market) will be closed and traffic on Constellation Rd will be shifted.**

We apologize for the inconvenience.
