The District is proposing no change to the amount of the LRWRP Upgrade Charge, just to the manner and frequency of collecting the charge.

LRWRP Upgrade Charge

	Current (<u>Monthly</u> VVCSD Bill)	Proposed (<u>Annual SB County</u> Property Tax Bill)
Residential	\$30.12	\$361.44
Commercial/School (x ccf water)	\$4.15	\$49.80
Condominium (per dwelling unit)	\$30.12	\$361.44
Apartment (per dwelling unit)	\$30.12	\$361.44

In accordance with Government Code §61115(b), Vandenberg Village Community Services District is proposing to remove the **LRWRP Upgrade Charge** from the monthly water and wastewater bill and add it to the property tax bill.

The **LRWRP Upgrade Charge** was established in 2007 to fund capital expenses for the LRWRP Upgrade Project. This includes the annual \$742,558 payment for VVCSD's share of the State Revolving Fund loan used to fund the project, contractual obligations for any maintenance performed on the plant, and a portion of the depreciation expense related to the asset.

Please call the District office at (805) 733-2475, if you have any questions.
