

# FISCAL YEAR 2017-18 BUDGET

## MISSION STATEMENT

To efficiently provide dependable drinking water delivery and wastewater collection services to Vandenberg Village residents, with a commitment to customer service.

# CAPITAL BUDGET

The capital budget expenditures are presented in the following categories:

- **Capital Replacement** – Replaces existing equipment, infrastructure, or facilities.
- **Capital Improvement** – Builds upon or improves existing equipment, infrastructure, or facilities.
- **Capital Outlay** – Purchases or constructs new equipment, infrastructure, or facilities.

The capital budget is funded by reserves.

**Vandenberg Village Community Services District  
Water and Wastewater Capital Budget Summary  
Fiscal Year 2017-18**

**CAPITAL IMPROVEMENT PLAN**

*Builds upon or improves existing equipment, infrastructure, or facilities.*

***Geographic Information System (GIS) \$100,000***  
***(Strategic Plan Item #3)***

This project was formerly System Maps and Database Services and will create electronic utility drawings for the District's water and wastewater systems and provide a web-based database application that would allow District staff to view and update asset maps and associated data. The database application would be beneficial to planning the District's periodic engineering projects and would provide a valuable tool for monthly fixed asset accounting functions. To date, \$6,530 has been collected from developers for this project.

***L/S #1 Replacement \$200,000***  
***(Strategic Plan Item #5)***

This project was formerly the L/S #1 Wet Well Expansion. Penfield & Smith's April 2005 capacity study indicated that a larger wet well would be required to service Clubhouse Estates (52 more connections) and development of the 44-acre Ebbert parcel. Due to the age of the existing lift station, it is more prudent to completely replace it than to simply expand the wet well portion. To date, \$11,634 has been collected from developers for the project. Including interest earned, developers have paid 52% of the developer share.

***Clean and video sewer system \$300,000***

This project will clean and video the entire wastewater collection system (\$2.00 per linear foot x 28 miles) and receive report of needed capital improvements in order to develop and prioritize sewer system rehabilitation projects. This project has the potential to generate multiple capital improvement or capital replacement projects depending on the severity of any sewer line deterioration discovered.

**Vandenberg Village Community Services District  
Water and Wastewater Capital Budget Summary  
Fiscal Year 2017-18**

***Rehabilitate Well 1B*** **\$40,000**

During the inspection scheduled in the operating expense budget, this project will replace columns and bowls as required.

***Rehabilitate Tank 1*** **\$285,000**

This project will replace the roof and recoat Tank 1.

***Rehabilitate Tank 3*** **\$15,000**

This project will touch-up the coating on Tank 3.

**CAPITAL REPLACEMENT PLAN**

*Replaces existing equipment, infrastructure, or facilities.*

***Security Systems*** **\$18,000**

This project will replace the security systems installed at the Shop Building in 1999 and the Booster Building in 1999 and will install a new security system at the new Administrative Office Building.

***Administrative Office*** **\$1,350,000**  
***(Strategic Plan Item #16)***

This project will replace the existing administrative office at 3757 Constellation Road. In August 2015, the vacant Rabobank building at 3745 Constellation Road was purchased by the District and, in December 2015, an architect was selected to prepare plans to remodel the interior for use as an administrative office. To date, \$5,872 has been collected from developers for the project.

***Valve Replacement Project*** **\$105,000**

This project will replace 17 street valves from 6-inch to 12-inch throughout the water distribution system. Some valves are more than 50 years old.

**Vandenberg Village Community Services District  
Water and Wastewater Capital Budget Summary  
Fiscal Year 2017-18**

***Hydrant Replacement Project*** **\$50,000**

This project will replace 28 obsolete wet barrel fire hydrants throughout the water distribution system. Some hydrants are more than 35 years old.

***Upgrade Cla-Vals – Pressure Reducing Stations*** **\$12,000**

This project will replace all external copper cla-val fittings with stainless steel to reduce potential for breakage.

***NaOCl (Sodium Hypochlorite) Pumps (2 ea)*** **\$36,000**

This project will replace the Sodium Hypochlorite pumps purchased in 1998.

***Computer Workstations (2 ea)*** **\$3,150**

This project will replace two office computers. This is performed on a rotational basis.

**CAPITAL OUTLAY PLAN**

*Purchases or constructs new equipment, infrastructure, or facilities.*

***SCADA Controls for B/S #4 and B/S #5*** **\$50,000**

This project will add controls to booster stations #4 and #5 to monitor the pressure in the upper pressure zone and compensate for the additional connections proposed in the Oak Hills Estates and Ebbert's developments. Developers have paid none of the developer share.

***SCADA Controls for L/S #3 and L/S #4*** **\$5,000**

This project will add SCADA controls to lift stations #3 and #4.

**Vandenberg Village Community Services District  
Water and Wastewater Capital Budget Summary  
Fiscal Year 2017-18**

<b><i>New Wells</i></b> <b><i>(Strategic Plan Item #11)</i></b>	<b><i>\$300,000</i></b>
--	-------------------------

This budget item is designed to fund preliminary work such as a cultural resources study, a biological assessment, a test well, and planning fees for a new well site #4. To date, \$11,851 has been collected from developers for this project.

# RESERVE GOALS

Operating Reserve Requirement = 25% combined operating budget

Emergency Reserve Requirement = 10% capital assets

# OPERATING BUDGET

The operating budget expenditures are presented in two categories:

- **Water Fund**
- **Wastewater Fund**

The operating budget is funded by rates.

Vandenberg Village Community Services District  
Water and Wastewater Operating Budget Summary  
Fiscal Year (FY) 2017-18

Below is a summary explanation for each category of the proposed operating budget for the water and wastewater enterprise funds. Although each fund has its own budget and the funds may not be comingled, they are described together in the summary to better represent the operating activities of the District. More detailed information on each line item is available in the District Office for review.

## OPERATING REVENUES

The proposed water and wastewater revenues reflect no changes in rates.

**Water** revenues are projected by using an average number of active customers for a calendar year and five-year historical average water consumption. Since revenue projection is based on historic performance, actual revenue could be better in some months and worse in others.

**Wastewater** revenues are projected by using an average number of active customers. The fees collected are fixed monthly charges; hence, actual performance does not vary greatly from budget projection.

For FY 2017-18, staff estimates a net **water reserve** contribution of approximately \$139,000 and **wastewater reserve** contribution of approximately \$586,000.

## NON-OPERATING REVENUES

**Interest Earnings** are budgeted for the District's investment accounts with the Local Agency Investment Fund (LAIF), Santa Barbara County Treasury; money market account at Rabobank; and Wastewater Capital Reserve Fund (WCRF) at the City of Lompoc based on the following projections:

Vandenberg Village Community Services District  
Water and Wastewater Operating Budget Summary  
Fiscal Year (FY) 2017-18

		2016	FY 17-18
		Interest Rate	Projection
LAIF	Variable	0.68%	0.68%
Santa Barbara County	Variable	0.61%	0.61%
Money Market	Variable	0.20%	0.20%
WCRF	Variable	0.59%	0.44%

## OPERATING EXPENSES

In general, operating expenses that are not exclusive to the water or wastewater funds (insurance, utilities, office supplies, administrative expenses) are allocated at 60% water, 40% wastewater. Customer related expenses (billing stock, postage, bill inserts) are allocated at 50% to each fund. Payroll for exempt staff and non-exempt office staff is allocated 60% water, 40% wastewater. Payroll for non-exempt field staff is charged to the fund in which the work is performed. Therefore, allocation is based on historical payroll accounting.

The following are significant changes in the budgets:

***Source of Supply (Wells)*** – Budget includes \$10,000 to inspect and repair Well 1B, \$40,000 for the Sustainable Groundwater Management Act (SGMA), and \$3,500 for Cloud Seeding.

***Pumping (Boosters)*** – Budget includes \$7,500 to inspect and repair Booster Station #1 pumps.

***Wastewater Treatment*** – Budget includes \$650,000 for wastewater treatment costs.

***WCRF*** – This item represents the District's portion of capital improvements to the Lompoc Wastewater Reclamation Plant and VVCSD has little control over the annual capital expenditures. The District earns interest on the WCRF balance of \$742,558.

Vandenberg Village Community Services District  
Water and Wastewater Operating Budget Summary  
Fiscal Year (FY) 2017-18

***LRWRP Debt Service*** – Budget includes the annual SRF payment of \$741,091 and annual 2007 bond interest payment of \$77,363. These represent the District's portion of the LRWRP debt service obligations. The actual 2007 bond interest payment will include credit for interest earned on our prepayment balance.

***Transmission and Distribution*** – Budget includes \$7,500 for triennial inspection of Tanks 3, 5A, and 5B.

***Customer Accounts*** – Budget includes employee cellular phone and internet allowances.

***Insurance*** – Cost includes general liability and property casualty insurance.

***Administrative and General*** – Budgeted administrative and general costs includes \$25,000 for ongoing vegetation management, \$25,000 for legal counsel, and \$20,000 for a temporary employee in the field.

***Director's Expense*** – Budget includes \$23,200 for director's travel expenses and salaries.

***Depreciation*** – Budget depreciation assumes new capital assets purchased in January. All assets are depreciated for the full month beginning the first month of ownership.

Although there is no cash outlay for depreciation expense, the Board adopted Resolution 99-94 in 1994 that directs staff to set cash aside based on depreciation expense and establish rates to provide sufficient cash to fund this depreciation expense in order to fund a replacement reserve for replacing capital equipment. The resolution was rescinded and replaced in 2006 by Resolution 176-06 with the same direction to staff.

***Salaries and Benefits*** – Salaries and benefits have increased \$46,200 from the FY 2016-17 budget. The anticipated employee salaries and benefits for working hours are:

Vandenberg Village Community Services District  
Water and Wastewater Operating Budget Summary  
Fiscal Year (FY) 2017-18

Water fund	\$ 774,338	(FY 2016-17: \$748,300)
Wastewater fund	\$ 392,800	(FY 2016-17: \$373,200)
Total	\$1,167,138	(FY 2016-17: \$1,121,500)

Budgeted salaries increased \$16,700 due to a 0.9% economic adjustment for all employees plus a merit increase for the General Manager. The budget also assumes that employees who are not at the top of their pay scale will receive at least one merit increase.

Budgeted benefits increased by \$29,500. The additional cost for paid benefits such as insurance, retirement, etc. represents 61.51% of the total base salary the District pays its employees.

The table below shows a historical comparison of actual salaries to budget (does not include paid benefits such as holiday, sick, and vacation):

Fiscal Year	Notes	Total Budgeted Salaries	Total Actual Salaries	Variance From Budget
13-14	1.70% economic adjustment + salary adjustments	628,400	631,486	3,086.00
14-15	1.00% economic adjustment + 2.00% salary adjustment	661,900	620,313	-41,587.00 *
15-16	1.30% to 3.30% economic adjustments	651,400	657,124	5,724.00 **
16-17	1.10% economic adjustment + 2.00% salary adjustment	676,800	655,000 (projected)	
17-18	0.90% economic adjustment	693,500		

\* variance primarily due to retirement of management employee

\*\* variance due to O&M Manager replacement undecided at budget preparation
